

2 + 2 TECH PREP

Articulated Programs with College of Southern Nevada

Tech Prep is a program that allows students to earn college credit for career and technical coursework completed in high school. Students in grades 11 and 12, who earn an "A" or "B" in an articulated Tech Prep class, will receive College of Southern Nevada (CSN) credit upon completion of the course. The cost is \$10 per course which is a processing fee. For additional information, contact Career & Technical Education.

Language to be used in catalog for these courses:

These courses may allow students to earn college credit from the College of Southern Nevada.
